## Solutions for Seniors

Town Square University Parkway is an active **senior center** and **adult day center** offering specialized care for those recovering from an injury or living with dementia, Parkinson's, Alzheimer's, sight and mobility impairments. We provide **free support groups** (with respite) and educational assessments. Members are placed in groups with like-minded individuals.

Our center provides medication assistance, primary care, psychiatric care, lab and PT/OT services. Promoting independence through activities, engagement and socialization. Members have access to multiple activities, including 15 different storefronts to explore in a 1950's themed town center, all within a safe & secure environment.
